2.2. Council Questions / Comments	
2.3. Public Questions Comments	
3. Adjournment	

## **PUBLIC HEARING**

**JULY 27, 2022**

## **BLAINE STREET CLOSURE**

The Municipal Government Act section 315 (1) states: *“The council may, by policy, permanently close any street or part of a street and the council shall hold a public hearing before passing the policy.”*

Given that Blaine Street is technically public, the MGA requires a public hearing before Council can approve a policy to ‘close’ the street.

As shown on the attached property maps there is a 3.9-acre undeveloped town-owned subdivision known as Blaine Street.

Staff feel the subject properties have the potential to add housing in an area that is relatively walkable to services along the South Albion corridor.
