

SATURDAY, APRIL 22

9AM- 1PM

AMHERST STADIUM

Celebrate EARTH!

Please join us in marking Earth Day by helping to clean and tidy up Amherst with our community wide litter pick-up initiative and compost giveaway. The Town of Amherst, Cumberland Central Landfill, Miller Waste and The Great Nova Scotia Pick-Me-Up are teaming up in an effort to help care for our great Earth by cleaning up our community. Bags are available for pick up at Amherst Stadium and are provided by the Great Nova Scotia Pick-Me-Up. Waste material will be collected on site at the Stadium by Miller Waste. Battery drop-off box on site. Come grab a bag of compost donated by Cumberland Central Landfill to add to your gardens or lawns to replenish your soil and help our Earth grow.

Earth Day

Clean Up

**Help us make
Amherst
"A" beautiful
place to live,
work, and play!**
